I understand that this scholarship is for me, as an individual, not for my organization. I have attached my one-page narrative on why I think I should be awarded this scholarship. I also understand that if I do receive scholarship funding, I will submit to the scholarship committee a written report on what sessions I attended and how the conference will help me in my role at my organization. I look forward to hearing from the scholarship committee by May 11, 2012.
